ROBIN, BRIGGS & STRATTON ~ HONDA POWER PRODUCTS ~ PROTECTIVE PAINTS
DAB & DAVEY PUMPS ~ FIRE EXTINGUISHERS ~ AEGIS VIRGIN OILS

SEPTEMBER
2014

To Our Valued Customers,

We are into September already – Now that didn't take long did it?

It's really no secret that I really enjoy sport, especially watching and reading about it. With all the negativity that pervades our world today, sport highlights the positive impact on individuals whose committed effort achieves their goals.

A few weeks back our Commonwealth Games gave NZers lots to be proud of. Since then the All Blacks demolished the Aussies, the Warriors did an even better job over the Titans, our swimmers and rowers brought home a large medal haul from the world championships and Valerie Adams got another gold medal. She has never been beaten in 5 years and over 50 world class competitions – what a lady and an awesome ambassador for this country.

Scott Dixon's 35th Indy Car win puts him 5th in the world of all time winners in that sport, an incredible achievement.

Then on the local scene, Kayla Cronin brought home a silver medal from the Oceania Tae Kwon Do championships. This win was dedicated to her equally amazing sister Kaysea. The pair of them are a shining example of how love, commitment and support can triumph over life's challenges.

Brian & Kathleen Young's son, Michael and navigator Malcom Read won the Junior Asia Pacific Rally championship with 2 rounds still to run. Another great effort.

Then there's Lisa Carrington. I could go on, but this is why I enjoy sport. It shows beyond doubt, this little country has more than its share of very talented, focussed and dedicated individuals.

*The world is full of willing people,
some willing to work, the rest willing to let them.*

There are so many good promotions going on in store at present, it's a lottery where to start.

Husqvarna Spring Promotion

The enclosed flyer is packed full of great deals including:

- A free trailer/hand cart with all ride-ons
 - \$50 bonus in-store voucher with selected 500-series trimmers and brushcutters.
 - 18months no payment and no interest on purchases over \$499 (conditions apply).
 - A \$10,000 package of Husqvarna product of your choice to be won – details in store.
 - A great range of Husqvarna toys that look just like Dad's – a blower, line trimmer, hedge trimmer and a chainsaw kit which includes a helmet and gloves!
- These will make awesome Christmas gifts.

Then there is the 5 year domestic warranty which is well worth enquiring about when you are making your next purchase. - Husqvarna – 325 years of history and heritage.

Briggs & Stratton Spring Specials

When you buy a B&S product, as with Husqvarna, you are getting a quality product with excellent after sales support. The prices on these spring specials are staggering. Here's what I mean:

- BWS020 Electric Water blaster, 2030 psi, 7.5 litres/minute, for \$199 incl GST.
- BWD023B Electric Water blaster 2320 psi, 8.5 litres/minute, and includes a free patio cleaner, all for just \$299. Now that's a great price.
- Petrol Water blasters from \$649 with a 2900 psi model that has a throttle Shut-down when you let the trigger go – a great feature and it's only \$949.
- A 3000 watt Generator for \$999 and a 7000 watt for just \$2399.
- And how about this – a 2" Water Pump for \$499. These prices as you can see are very very competitive. We have sold a number of these already, with great feedback from the customers.

Cinderella is proof that a new pair of shoes can change your life!

King Tony & Unison Tool Specials

These are some really good tool specials well worth a second look. The King Tony specials finish at the end of September and the Unison at the end of October.

Water Pumps

With summer just around the corner, more pressure will be on water pumps to deliver. Sales of the Dab and Davey range prove their popularity. If you are looking at replacing your present pump, the prices on the latest range have never been better. Pumps are available as a bare pump, complete with pressure switch or the more popular MEC electronic controller. The advantage of the controller is it gives the pump "loss of prime" protection. This means if the pump's water supply is interrupted the pump won't start, thus preventing costly damage. The other advantage is the constant pressure it maintains when you are having a shower, which is a welcome change from the variable pressures created by the conventional pressure switch controlled pump. It is worth noting that the MEC controller can be quite easily fitted to an existing pump.

Thought For The Month:

The time to relax is when you don't have time for it.

Have a great month. All the best from your friendly team at
