APRIL
2016

To Our Valued Customers,

The new financial year is under way and I am always intrigued that many governments traditionally use April 1st as the day they introduce new legislation. I think many believe some of the new laws belong in the April fool category, like school head "masters" or "masteresses" being libel for a \$600,000 fine and/or 5 years behind bars if things go awry with their pupils. Here's hoping we don't become the land of litigation like America has.

It has been a sad few weeks for this area with the loss of Kim Woolsey, Ray Dolman and Catherine Loughlin. All three were great contributors to the community and had so much more to give and enjoy. When people of this calibre are taken in their prime, they leave a huge gap that is hard to reconcile.

Good friends help you find important things when you have lost them – things like your smile, your hope and your courage.

Lowes Hire Complete Package

Last weekend there were 2 large party hire functions we were involved in, one here and one in Whakatane. The Opotiki event was the marriage of Chris Anstis and Jennifer Ross at Peter and Marnie's property. The ceremony took place in a beautifully secluded bush setting surrounded by Puriri trees and the rich sound of tuis in the branches. Our marquee was set up amongst the trees on Peter & Marie's spacious lawn and it looked awesome.

One of the pleasures of this business is you get to play a part in helping make an event, like this marriage celebration, a beautiful and memorable occasion. You also get to meet and work with many awesome clients which makes it all worthwhile.

*To keep love brimming in the marriage love cup,
when you are wrong, admit it; when you are right, shut up.*

More Marriage News

Now this is great news. We now have a marriage celebrant in the family. Jamie's lovely wife Claire has recently qualified and is now a fully-fledged marriage celebrant. When I mentioned this to LJ on our 1XX Tuesday morning slot her first comment was "You really can offer the complete package now, from Lowes Hire & Engineering." Claire is the youngest celebrant in the area and based on what she achieved with her own wedding, she will make her clients' event very special indeed. Claire is a wonderful wife, mother and now marriage celebrant – what a neat combination. After telling you how good she is, I guess I need to give you her contact number 07 308 2043 or 027 306 1557.

*My grandmother told me, the secret to a successful marriage is to have as much laughter, fish, sex and vegetables as you want - all else in moderation.
She was right!!*
